

Welcome to Pre-K

Dear Parents,

We are using a fun, hands-on school readiness program in our class this year. *Get Set for School™* by Handwriting Without Tears, is an award-winning Pre-K curriculum that focuses on playful learning to develop coloring, drawing, counting, building and handwriting readiness skills. We'll be using music, dough, magnetic stamps, and wood pieces. We'll also be working in a crayon-based activity book.

During the year, we will introduce new activities. The children will build Mat Man™ on the floor with wood pieces and draw a picture of him to learn body parts. They'll make capital letters and numbers with chalk, slates, and dough. Music is important, too! Just wait... you will soon be hearing new songs for letters, counting and even for fingers and toes!

Throughout the year, we will teach your children important pre-writing and letter recognition skills. Please let us know if you have any questions.

Sincerely,

P.S. If you would like more information about the *Get Set for School™* program, visit the *Get Set for School* website: www.getsetforschool.com.
