

Handwriting Without Tears® Why your school should use it!

Students Succeed

- ★ Children of all learning styles and ability levels learn to write neatly and efficiently.
- ★ Handwriting becomes a natural skill.
- ★ Students can focus on content of their work rather than the physical act of writing.
- ★ Handwriting success fosters student pride and interest in learning.
- ★ Children who write well enjoy school more and perform better in all subjects.

Teachers are Excited

- ★ Little time is needed for class preparation.
- ★ Easy for both new and experienced teachers.
- ★ Short lessons that get results.
- ★ No more wasted time reviewing illegible papers.
- ★ Teachers are pleased with improved student performance and interest.

Parents are Proud

- ★ Handwriting is the most visible expression of a child's performance in school.
- ★ Parents are excited with student success.
- ★ Papers start going up on the refrigerator.
- ★ Excitement breeds parents' involvement, interest, and support.

Administrators see Results

- ★ All students succeed using HWT.
- ★ Continuity and consistency exist across all grade levels.
- ★ HWT supports and integrates with other Language Arts curriculums.
- ★ HWT reduces need for remediation.
- ★ Student workbooks are affordably priced.

Students, Teachers, Parents, and Administrators are delighted with drastic improvement in handwriting and other learning.
